A fashion advertisement for 'YOU Fashion'. The background is a light beige color with faint, repeating text and a logo that says 'NATURAL CHOICE'. A woman with long, wavy blonde hair is the central figure. She is wearing a bright pink, long-sleeved, off-the-shoulder top and black, high-waisted, wide-leg trousers. She is also carrying a black handbag with a chain strap. The text 'YOU Fashion' is in the top left corner. The main headline reads 'Workwear 101' in a serif font, followed by 'BABY, HUE GOT IT!' in large, bold, orange and pink letters. A white rectangular box in the bottom left contains the text: 'Say goodbye to boring workwear. This season's bold colours will brighten up your wardrobe – and your day, too!'. In the bottom right corner, there is a list of items and prices: 'Blouse, \$69.95, by Zara. Pants, \$69.95, from Secom. Handbag, \$129, from Revlon. Heels, \$149.95, by Tony Bianco from Worned Shoes.'
